PROFILE

A detail-oriented and reliable professional with strong administrative and documentation skills developed through hands-on experience in engineering and project coordination roles. Experienced in preparing reports, handling records, managing paperwork, and communicating effectively across departments. I can contribute strong organizational abilities, accuracy, and a proactive attitude in supporting day-to-day office operations.

WORKING EXPERIENCE

General Operative

XPO Logistics (via Gap Personnel) Feb 25 – Present

- Supported warehouse administration activities in SAP, e.g. updating inventory records & compiling stock reports
- Ensured accurate inventory records by data verification for effective stock control
- Recorded & reported damaged goods to drive continuous improvement
- Performed packaging tasks for paint products to meet quality & delivery standards

Engineer

CLP Power HK Ltd

Oct 21 – AUG 23

Project Management, Process Control & Cyber Security Department

- Presented project proposals and updates to management and cross-functional departments for funding and administrative purposes
- Managed >20 projects, ensuring delivery within scope, budget, and schedule
- Prepared and reported CapEx budget plans, and handled project C&P issues
- Coordinated with O&M to ensure satisfaction with documentation & deliverables

Assistant Engineer

Control Automation Ltd

Jul 21 – Oct 21

Project Engineering, Project Department

- Managed administrative tasks for ICS projects in power stations, e.g. work permit
- Maintained strong client relationships to support ongoing developments
- Monitored site work progress and administrative processes were in place
- Communicated regularly with clients to improve project outcomes for their needs

System Engineer Trainee

Green Island Cement

Oct 20 – Jul 21

System Custodian, System & Process Department

- Reported key incidents from C&I perspectives to management during meetings
- Supported development plans to enhance team capabilities & competitiveness

Assistant Process Control Engineer

Green Island Cement
